

We are a community group set up to supply new school uniforms to families in South Ayrshire who are in need.

In the same way as a Food Bank accepts donations and distributes to those in need, South Ayrshire School Clothing Bank collects donations of new uniforms to distribute., everything from polo shirts, skirts, trousers, shoes, jackets, bags gym kit etc.

All donations are welcome.

Any professional: teachers, doctors, churches, youth group worker, social worker, etc can get in touch with us via Facebook or Email. Just let us know what is required: sizes, school colours, gender and we will deliver to you, your office, the childs' school - we DO NOT need to know who is receiving these items, just that in your professional opinion there is a child in need.

Please like our FaceBook page to keep up to date, thanks!
