

Breeze Champion training comes to Ayr

Want to inspire more women to ride? HSBC UK Breeze needs you!

If you're a confident female cyclist and want to encourage other women to cycle for fun and fitness, there's no better time to become a volunteer Breeze Champion.

There is no cost in attending the course; in return participants deliver Breeze rides in their local area, supporting women to (re)discover the joys of cycling.

Date: Saturday 27th April

Venue: To be confirmed

For more information and to sign up for a place visit:
