COMMUNITY COUNCIL**

17 October 2022

To Tracy Flynn, CEO Ayrshire Hospice

Residents invited FSWCC to their meeting on 27<sup>th</sup> September 2022 regarding concerns raised about the Ayrshire Hospice Capital Build specifically piling, parking, traffic and pedestrian management and the loss of mature trees.

We believe a Consulting Engineer has advised the neighbours to request the Hospice Project Team appoint an Independent Engineering Company to undertake a Dilapidation Survey on each property in the area that may be at risk from piling, a Stakeholder Engagement Plan and Traffic and Pedestrian Management Plan are also requested. We support this advice.

FSWCC understand the concerns of the residents and trust that the Hospice Project Team will take account of these concerns and have the matter resolved to the satisfaction of all concerned.

Yours sincerely,

Olena Stewart  
Chairperson  
FSWCC
