

## Energy Working group – Update report for Community Council 11<sup>TH</sup> May 2022 – Verbal

### Logo competition

- We are currently in discussion with and Fiona McAvoy, Head Teacher and Jamie Tait Service Lead to finalise arrangement for the certificate presentations. The winning logo came from the P3/4 Class pupil. See below:

### Feasibility Studies – (Coastal Community Fund)

#### Baseline study commission

Fraser of Allander Institute and the University of Strathclyde have submitted a proposal to carry out a detailed baseline study. Now commissioned.

#### Technology Feasibility study commission

Preferred company appointed, (note the appointed company has experience of similar projects). Dates for project start and final report to be agreed.

### Other Matters

#### Interim reporting

I am in the process of completing the interim report for the Coastal Community Fund bid. As such can I request via the chair of the CC that written testimony/quote is provided in support of the Energy Project. A similar request will be made to the chair of the CA.
