

# Wallacetown Action Group

The Wallacetown Action Group has been formed since April 2018 has managed to resolve community issues ranging from anti-social behaviour, parking, housing, environmental and social. They have also been involved in many positive projects as well.

## Litter Picks

9 bags of litter were collected in only an hour

## Garden Projects

Local businesses wanting to support community gardening projects.

## Cleaner Closes

Regeneration project directed by local residents

## Picnic In The Park

Fun filled, family friendly event for the whole community

See what has been done in under 6 months. Imagine what you could do in a year!

If you are interested in improving your local community or have issues you would like to raise, then please come along to the next Wallacetown Action Group meeting on Tuesday 20<sup>th</sup> November @ 6pm @ St Johns Primary School

Refreshments available on the night

Wallacetown

Action Group

Have your say

Let's keep  
our world  
clean and  
safe!

This group has two main aims;

- To make real change in the community
- To act on the everyday concerns in the community
